# MINI GOLF BUILD

**What's more fun than playing miniature golf?**  
How about playing on a course that your group builds? Spark your creative energy by designing the ramps, obstacles and even the theme of your own green, then tee off a hole in one!

## WHAT IS THE MINI GOLF BUILD EVENT?

You don't have to be a golfer to enjoy this dynamic teambuilding event. From building the course to playing a "tournament," this event engages all members. Even construction of the course begins with fun. Teams play games to earn points to "buy" construction materials. Each team constructs its own golf hole complete with putting green, ramps, and obstacles - your imagination is the limit. Then let the tournament begin as teams compete by playing their courses and vie for the prized "Builder's Cup." Mini Golf Build is your own golf outing that combines collaboration, creativity, and competition in a fun and rewarding event.

## ALL OF OUR EVENTS ARE BASED ON –

**100% Participation 100% of the Time for 100% Fun –**  
All games reward teamwork, not individual performance.

**All Play –** Participants might have different energy levels or capability to play a game, and that's okay. Because games have different roles, there's always a place for everyone to contribute to the team effort.

**Team Play –** All activities reward teamwork, not individual performance. Exceptional teamwork results in exceptional outcomes.

### BENEFITS:

- Energizes participants and builds camaraderie
- Enhances collaboration and problem solving
- Builds relationships, respect, and appreciation

### LOGISTICS:

- Indoors or outdoors
- At our facility or the facility of your choice
