PICK YOUR PLAY

Customize your event by picking your activities from the wide variety of exciting adult-friendly offerings at Group Dynamix!

WHAT IS A PICK YOUR PLAY EVENT?

“Pick Your Play,” as the name suggests, allows you to customize your event by picking your own activities from the wide variety of exciting adult-friendly offerings at Group Dynamix. Choose from our state-of-the-art ropes course to playground sports, lawn games to tabletop games, inflatables to climbing trees, zip lines to racing trikes, Archery Tag to our 22-player foosball table, and much more. The number of activities is limited only by the amount of time you can spend.

This fun event can be structured as a friendly competition among teams collecting points as they rotate through the activities or it can be organized as a “group mixer” event where people can decide to be participants or spectators for a given activity. Regardless, we will begin the fun with some icebreaker games to get the excitement level up before launching into the activities.

ALL OF OUR EVENTS ARE BASED ON –

100% Participation 100% of the Time for 100% Fun –
All members are engaged all the time.

All Play – Participants might have different energy levels or capability to play a game, and that’s okay. Because games have different roles, there’s always a place for everyone to contribute to the team effort.
