

GROUP dynamics PLAYGROUND SPORTS TOURNAMENT

This friendly competition will connect and bond your group together leaving nothing on field but awesome memories!

THE PLAYGROUND SPORTS TOURNAMENT

Let the games begin! Group Dynamix will design and officiate at your next sports tournament event. We're equipped with great ideas and inventive offerings, whether you choose human foosball, flag football, kickball, blacklight dodgeball, or some other high-fun, low-impact sport or play activity. Your "friendly" competition can be held at Group Dynamix or any venue of your choosing. Have fun, build camaraderie, and make memories for your group or organization.

You can come to the event with teams already organized or our facilitators can assign teams at random through a quick interactive game. Once teams have been formed, you can either warm up with some fun activities or jump straight into the rivalry.

Our Playground Sports Tournament event is customizable to the game or games that you want to play. Games like kickball, dodgeball, human foosball, flag football, volleyball, and almost any game you can think of make the possibilities for this event endless. Rules can either be regulation or adjusted to better serve your group's ability, goals, and size.

100% Participation 100% of the Time for 100% Fun –

All Play – Participants might have different energy levels or capability to play a game, and that's okay. Because games have different roles, there's always a place for everyone to contribute to the team effort.
