

# Mix & MINGLE

GROUP dynamix

## SOCIAL EVENTS

A semi-facilitated event that allows for groups to bond or celebrate in a casual and relaxed yet engaging environment.

## WHAT IS A MIX & MINGLE EVENT?

Group Dynamix's Mix and Mingle Event allows groups to bond or celebrate in a casual and relaxed yet engaging environment. The event is semi-facilitated, allowing some guests to mingle and observe while others may choose to participate in other entertaining activities we have at our facility, such as Archery Tag, Trivia, Blacklight Dodgeball, Drift Bikes, Soccer Darts, 22-Player Foosball and many more. Your group can choose to compete as individuals or teams and win prizes at the end. For those who prefer more relaxed, lower-energy activities, we have an assortment of tabletop and lawn games.

## KEY INGREDIENTS

**Collaborative Competition** – Through a series of collaborative and competitive activities, participants earn tickets that can be redeemed for prizes.

**Not About the Athlete** – A truly “play” event is most successful when it does not focus on individual athleticism, but rather highlights a variety of skills from physical to mental. When planning your play event, we'll help you select games that cater to all levels of physical, mental, and social skills.

**Challenge By Choice** – On an individual and group level, we always leave the choice in your hands. When booking an event, a group can choose from a list of games, and at the event, individuals can choose at what level to participate in every activity offered. More participation = more opportunities to win!

## LOGISTICS

- Indoors or outdoors.
- At our Event Center or a place of your choosing.
- 2-hour event.
- Group sizes from 10 to thousands.
- Low to medium physical activities.
- Bring or cater your own food and alcohol or select from our preferred vendor list.

## BENEFITS

- This more relaxed event allows for ample opportunities for group members to “mix and mingle” in a variety of fun and low-stakes ways.
- Supports a “come and go” atmosphere where participants may have to arrive or leave early.
- Builds relationships and provides a shared experience in a fun social setting.

## SAMPLE AGENDA

- Soft start, allowing for casual arrival of participants. Lawn and table games open to all.
- Every 15-20 minutes, a new opportunity to play in a new game (trivia, bingo, human foosball, archery tag, etc.) will be announced. Participants who are interested may join for chances to earn tickets.
- Prize giveaway ceremony
- Soft end, allowing for casual leaving of participants.

**ARCHERY TAG**

Archery Tag combines the adrenaline rush of dodgeball, paintball and laser tag with the skill of traditional archery. With the popularity of archery exploding due to blockbuster films like “Lord of the Rings,” “Hunger Games,” and “The Avengers” and TV shows like “Arrow” and “Revolution,” Group Dynamix has designed a thrilling program that involves shooting and “tagging” opponents.

**TRIVIA**

Trivia, Group Dynamix-style, consists of creative questions facilitated by our fantastic host promoting group interaction at the group’s leisure. Questions will be asked of willing volunteers and those in the crowd who match their answers will win.

**22-PLAYER FOOSBALL**

You’ve played on a standard-size foosball table, but there is nothing standard about this table. Play with 22 people or play with fewer and shuffle your players around to fill the gaps! Either way, this exciting version of foosball will have your team high-fiving and laughing all the time.

**DRIFT TRIKES**

Feel like a kid again with our adult sized drifting tricycles! Race at high speeds against the opposite team but don’t take those turns too fast or you might spin out.

**SOCCER DARTS**

While it may look like a classic dart board, this 15-foot velcro inflatable is much bigger and much more fun. Kick the “darts” on the board and try to hit the bullseye! We have developed some amazing team challenges that make this game even more spectacular.

**HUMAN FOOSBALL**

Available as an activity anchored into the floor of our building or as an enormous inflatable, this game super-sizes your fun as you relive your youth at the foosball table. Human Foosball literally lets you “get a kick” out of the classic game of foosball on a much larger scale.

**LASER CHASE**

This high-energy game involves an interactive lighting system that challenges both your agility and problem-solving skills. We have developed numerous variations of the game that allow you to work with others in a memorable and exciting way. Come set a new record and experience one of our most fun games!

**DICE GAMES**

Imagine your group engaging in countless versions of dodgeball bathed in the glow of blacklights and lasers! Neon balls fly as your group enjoys friendly competition in this highly charged setting.

### GIANT JENGA

Scaled up in size from the classic Jenga game, players take turns to remove a block from a tower and balance it on top, creating a taller and increasingly unstable structure as the game progresses.

### BINGO

The goal is to be the first player to place 5 markers in a row either vertically, horizontally, or diagonally.

### NINE SQUARE IN THE AIR

This activity is a huge hit at Group Dynamix. Imagine the old-school playground game of four square combined with volleyball and you have an incredibly fun, fast-paced, and addicting game for groups.

### BLACKLIGHT DODGEBALL

Imagine your group engaging in countless versions of dodgeball bathed in the glow of blacklights and lasers! Neon balls fly as your group enjoys friendly competition in this highly charged setting.

**LADDER GOLF**

Ladder Golf is a fun lawn game with the goal of tossing a set of objects to a predetermined target. The objects are bolas (two balls tied together with a string) and the target is a ladder with three rungs.

**FLAP ATTACK**

Flap Attack is a carnival-style game where players attempt to roll the ball up the slight inclined track and gain as many points as possible by passing the flaps and ending on the highest point flap.

**CARPET BALL**

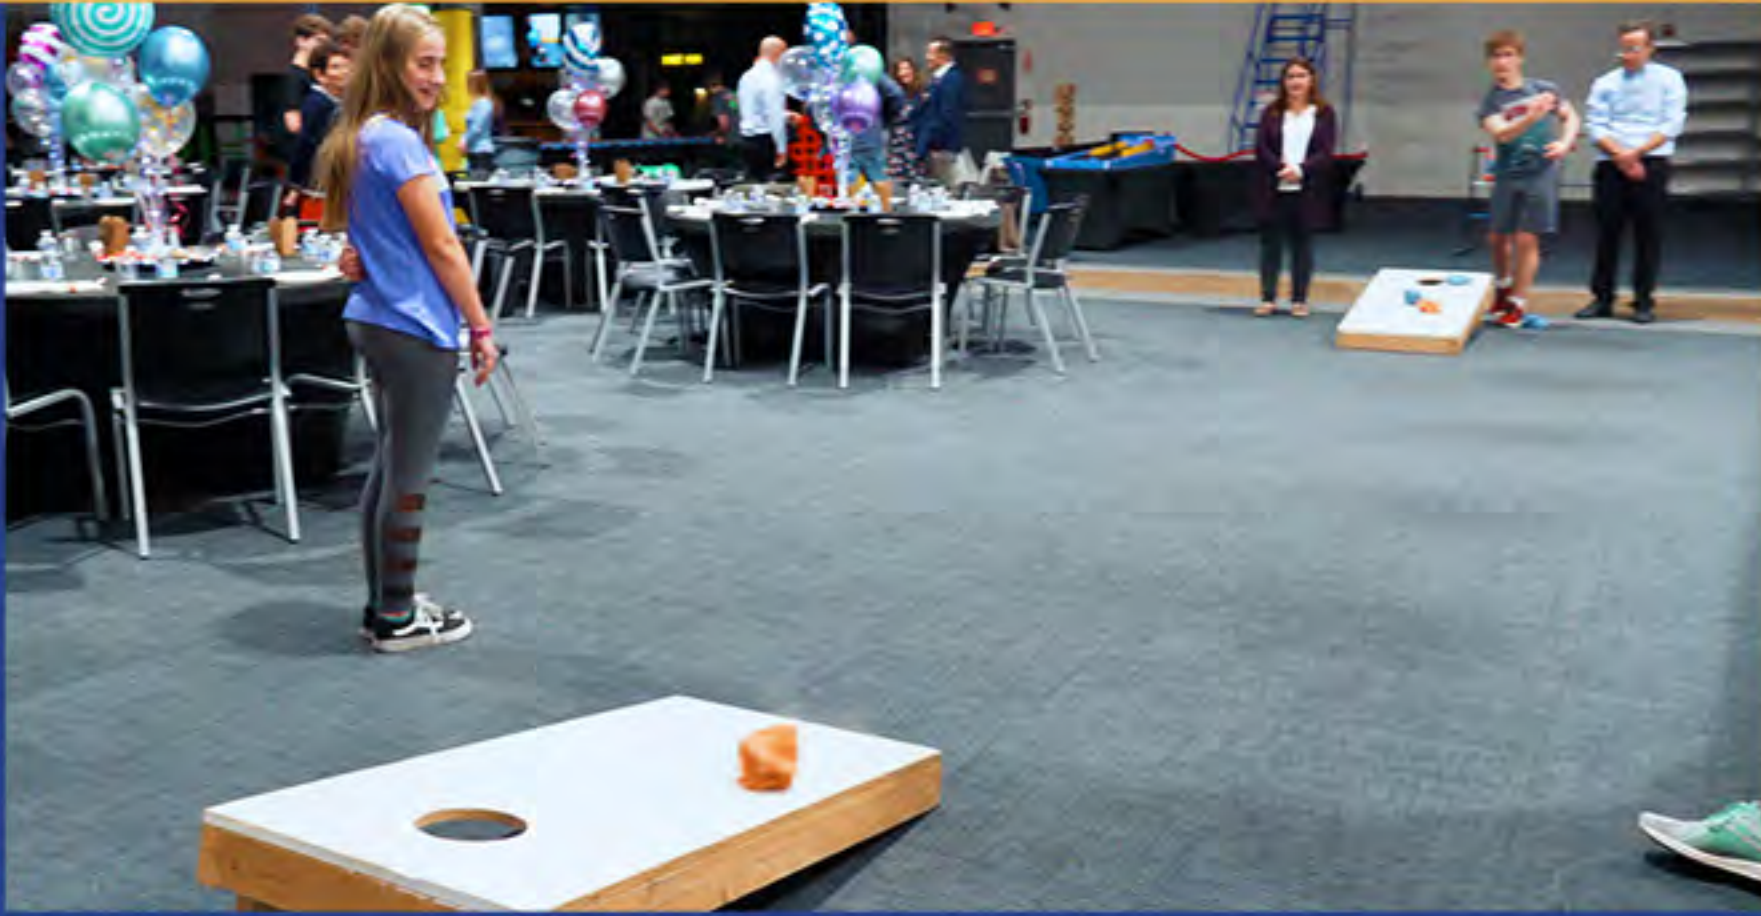

Carpet Ball a game similar to Pool that is played with Pool balls in a long, high-walled table. Each player gets five balls to arrange however they'd like at their end of the table, then take turns trying to knock each other's balls into troughs at each end of the table.

**GIANT CONNECT FOUR**

Giant Connect Four is a scaled version of the original game - played with two opponents - with the objective of being the first to form a horizontal, vertical, or diagonal line of four of one's own tokens.

**BEAN BAG TOSS**

A classic lawn game in which players toss beanbags toward a slanted platform with the aim of passing the beanbag through a hole in the center of the platform.

**ARCHERY SHOOTING GALLERY**

**MINUTE TO WIN IT**

Similar to the tv series, participants take part in a series of 60-second challenges that use objects that are commonly available around the house.

**CARD GAMES**

From classic to new card games, we have an assortment for you to enjoy with your group.

### WHIP N' SKIP

Whip N' Skip is a carnival-style game where players simply give one of the red pucks a push and send them gliding up the ramp into one of the targets to win points.

### FOUR SQUARE PING PONG

Combining the two great games of 4 square and Ping Pong, players use paddles and a table tennis ball to serve and volley. Unlike waiting in line to play the winner in Ping Pong, Four Square lets players continuously rotate in and out.
