

# AMAZING JOURNEY

GET ON THE RIGHT PATH TO AN AMAZINGLY FUN ADVENTURE!

## BENEFITS & OUTCOMES

- Builds camaraderie.
- Provides high-energy fun.
- Boosts morale and team spirit.
- Strengthens teamwork.
- Develops positive relationships.

Inspired by the TV show “Amazing Race,” Group Dynamix’s **Amazing Journey** offers groups an opportunity to bond during this fun event where teams overcome obstacles to keep ahead of their competition. The **Amazing Journey** is all about using teamwork to achieve goals just like in real life and the television show on which it is based. The twist is - we’ve figured out how to keep the fun and adventure and remove the agony of defeat. This corporate scavenger hunt allows teams to compete to find clues that will put them over the finish line.

The **Amazing Journey** is a great company outing and team building event idea for companies looking for a fun and interactive time together. Our creative teamologists have collected a wide-range of unique, amazing race challenge ideas for corporations that are guaranteed to break down barriers and set your team on the right path to an extraordinarily fun adventure! Everyone wins in the **Amazing Journey** corporate event where there is enough fun for the whole team.

Because GDx is located in heart of Texas, our **Amazing Journey** outing is perfectly suited to be held at various ranches, hotels, or conference centers in the Dallas Fort Worth area and can be customized to almost any location you choose.
